Training Modules

To begin your **Safety Training**, click on the “Training Modules” button.

Select the appropriate folder...

“Open” the slideshow in the browser or “Save” it to your computer. Progress through the slides with your mouse or keyboard.

At the end of the slideshow, complete the exam, which can be found in the same folder.

View Grades

Check your progress and grades by clicking on the “View Grades” button. A 70% is a passing grade for all training exams. If you do not pass with a 70%, EHS will contact you with further instructions.
